Envelopes are a way of "gift-wrapping" your sacrifice to God. Utilizing your envelopes is the best way to ensure your gift is processed correctly. Please avoid the use of tape, stickers or staples to seal your envelopes. If you forget your envelope, be sure to include your parishioner/envelope number on your check and please do not fold your checks, envelopes or cash. **Don't forget to include the gift of your Time & Talent Hours.** This allows families to share the number of hours they've given to God's service in time and talent over the past week. This too is sacrificial giving, as we say "no" to something in order to make time to say "yes" to serving the Lord and showing His love to others. Your gift of time, talent and treasure is your sacrifice and praise to the Lord!

Did you know... that using envelopes helps us with "**attendance?**" Often times parishioners need a letter for Catholic School, to serve as a sponsor or god-parent, need sacraments or need to verify their participation in the parish. Envelope usage creates a record of your participation. Electronic payment households are encouraged to mark that gifts are made electronically.
