

Matching Gift Opportunities

Companies sponsor this voluntary program designed to provide participants with an additional incentive to make periodic contributions benefiting eligible organizations of their choosing. Among the eligible educational organizations are private secondary, elementary and pre-elementary schools.

If you are a member of one of these companies, please consider subscribing in order to make gifts towards Queen of Peace Catholic Academy towards the construction of our remaining buildings and maintenance of school facilities. Your support is greatly appreciated. For more information, contact Ricardo Gonzalez in the Development Office at Ext. 16.
